Recreación bosque

An outdoor Kids Corner setup on a green lawn. Two white teepees are set up on dark grey mats. In the foreground, a long table made of wooden pallets is covered with a white tablecloth. On the table, there are several small potted plants, a container of colorful pencils, and other craft supplies. Yellow and orange cushions are scattered around the table. In the background, there is a stone wall and a white picket fence.

## KIDS CORNER

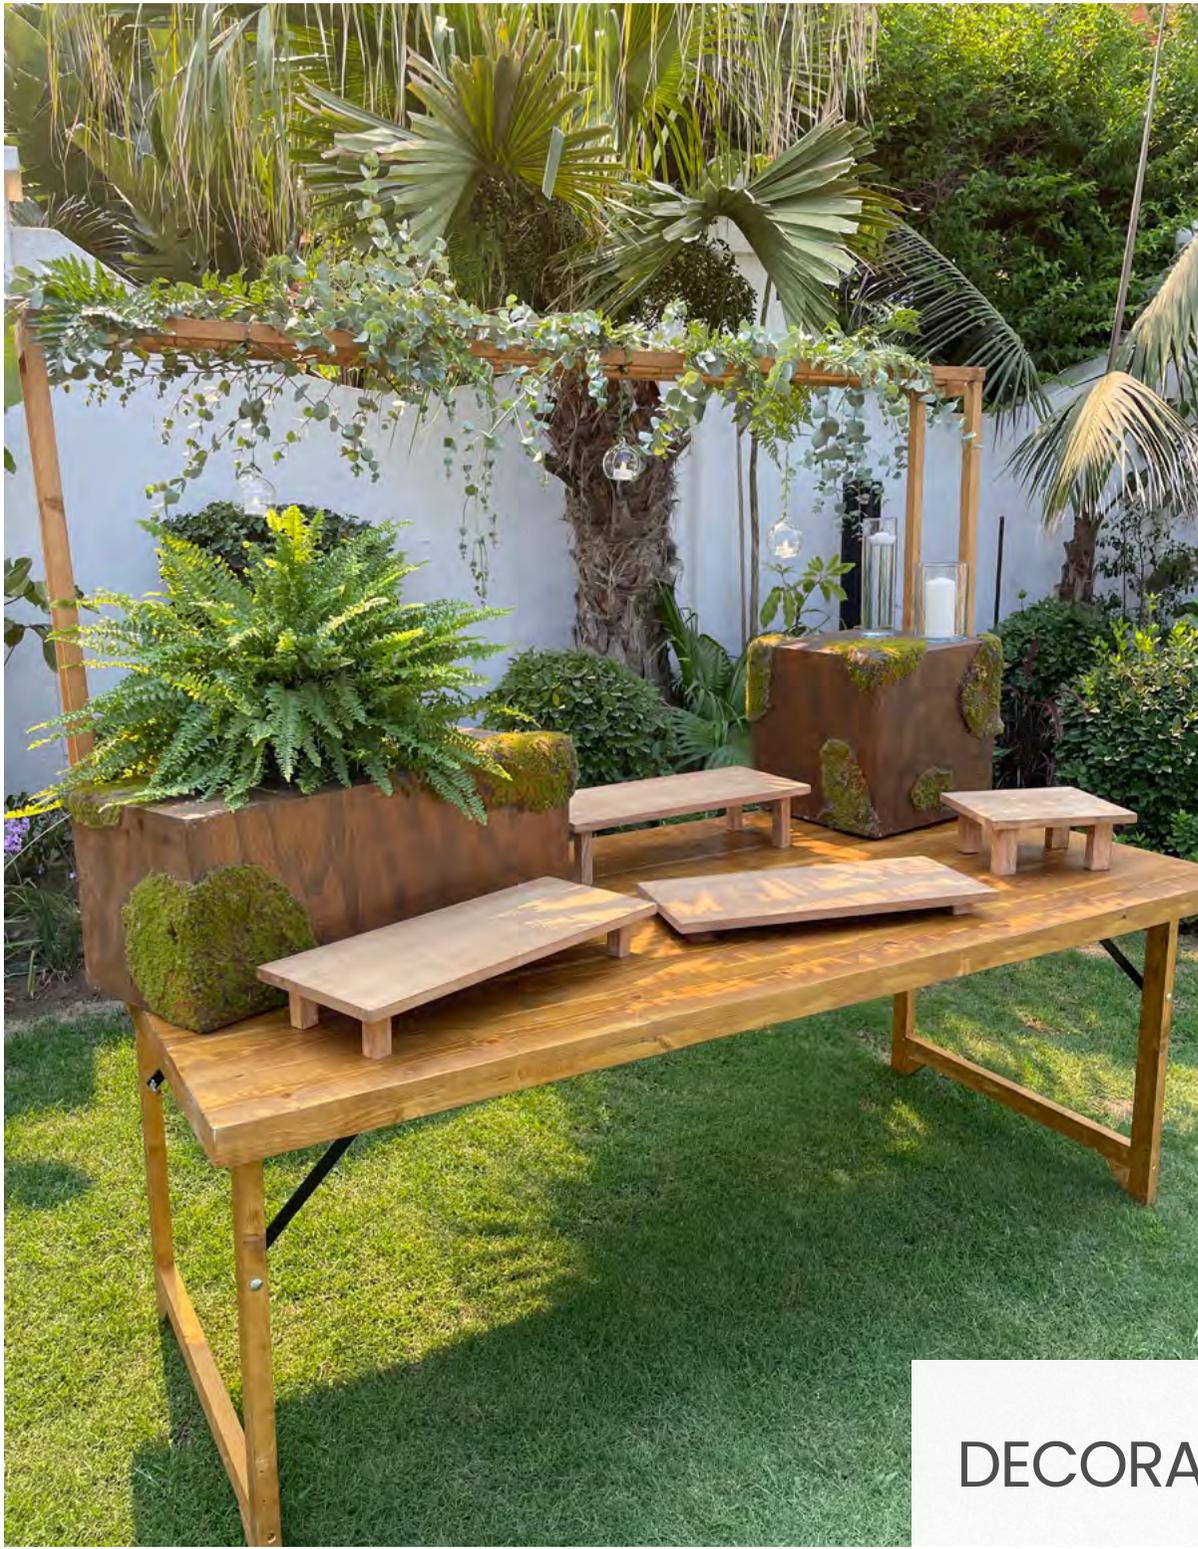

Kids Corner completo

An indoor Kids Corner setup in a room with large windows. Two white teepees are set up on dark grey mats. In the foreground, a long table made of wooden pallets is covered with a white tablecloth. On the table, there are several small potted plants, a container of colorful pencils, and other craft supplies. The room has a modern, minimalist aesthetic with large windows and a concrete floor.

2 Tipis con plaids y guirnaldas

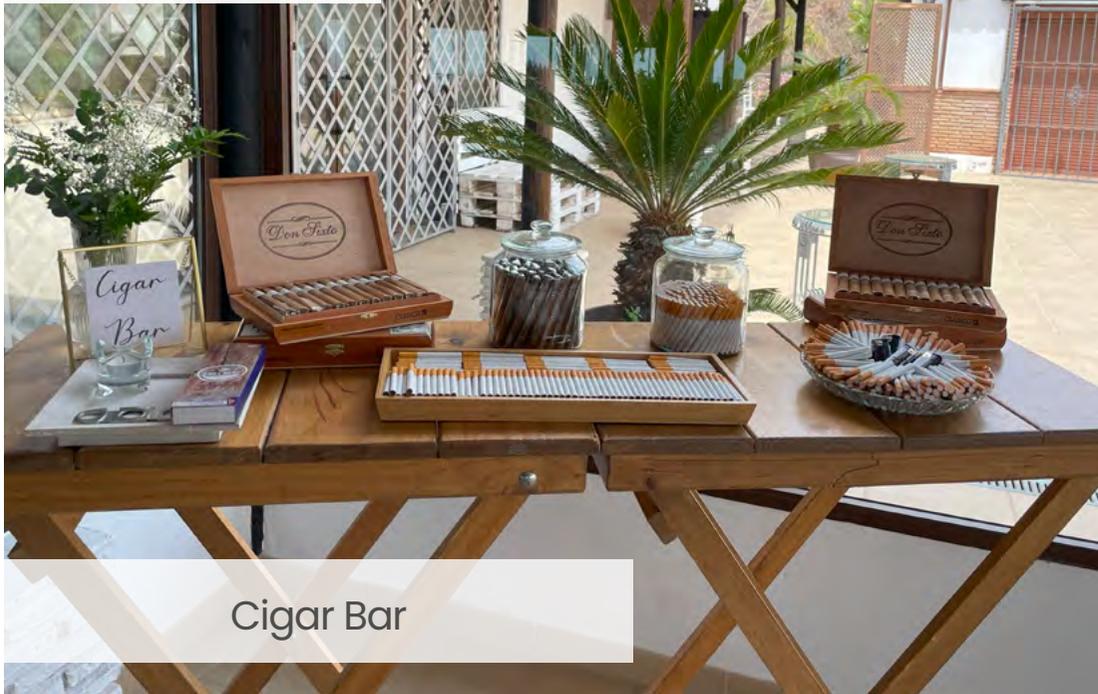

An outdoor Kids Corner setup in a garden. Two white teepees are set up on dark grey mats. In the foreground, a long table made of wooden pallets is covered with a white tablecloth. On the table, there are several small potted plants, a container of colorful pencils, and other craft supplies. The area is decorated with white paper lanterns hanging from the trees. The background shows a well-maintained garden with trees and a white picket fence.
